

The first part of the paper is devoted to a general introduction of the subject, and to a statement of the objects of the present inquiry. It is then divided into two parts, the first of which is devoted to a description of the various species of the genus, and the second to a discussion of their habits and habits. The first part is divided into two sections, the first of which is devoted to a description of the various species of the genus, and the second to a discussion of their habits and habits. The second part is divided into two sections, the first of which is devoted to a description of the various species of the genus, and the second to a discussion of their habits and habits.
